**Midtermas 2017 Term Card**
Dear Freshers,

Welcome! Over the next week you’ll be thrown headfirst into Oxford life, and many people at Linacre have been working hard to make sure that your start at Linacre is as exhilarating as the rest of your time here will be. We love it here, and want to make sure you do, too.

This freshers’ guide is brought to you by the Common Room Executive or CR Exec, which is the body of representatives for the students in the college. You’ll be able to see our different roles a few pages on, but please use the pictures – or our CR Exec hoodies – to identify us during induction week and come have a chat and ask your questions you might have – Oxford is sometimes a bit of a bewildering place. We’ve prepared a social programme to complement the many college and departmental events you will have (see the last two pages), and will continue to do so throughout the year – check out our termcard to the left. As busy as it might be, make the most of what’s on offer: this week was designed for your delight.

As the CR exec, we serve as your voice in college. Ask us questions, tell us your worries, suggest events, organise them, propose motions, join clubs, start societies, take on a student position, join the CR Exec, make the college your own.

Linacre is now yours, so go out and get it.

Sophie, Abdossalamp, Jamie, Jade, Jaeyoung, Itzhak, Ari, Derek, Sapna & Dan

As you will no doubt find when you get to know Linacre, the backbone of the college is its staff, who work behind the scenes to create, maintain and develop a place for our student community to thrive. In the beginning, it can be a bit tricky to work out who to contact about what – some of them you will get to know during induction week – so we hope this overview will help you put names to faces and have an idea about the right port of call for whatever comes up. This doesn’t quite include everyone, but we’ve included someone from each team and those you’ll be in contact with the most. Overall, they’re a very friendly bunch and extremely willing to help, or point you towards someone who can.

Nick is around to maintain the college buildings, fixtures and fittings. If you report a light out or a wobbly shelf, chances are that a member of the maintenance team will attend to it. Email Nick if you have a problem with your room, kitchen (or anywhere else in college, for that matter).

Marie Duffy
Receptionist
reception@linacre.ox.ac.uk

Our receptionists are always happy to point you in the right direction and handle guest room reservations, punt bookings, NUS cards, phone cards, mail, etc. If you arrive during the week, they are likely the first Linacre personalities to welcome you to your new home. For the more scatter-brained of us, Marie will also email you when your bodcard is found before you even knew you’d lost it.

Anne Keene
Director of Development
Development.director@linacre.ox.ac.uk

Whilst you won’t have much to do with the Development team until after you graduate, they are always happy to meet current students. 5. Common Room Facilities & Resources

The Common Room provides lots of useful resources for its members, listed below – it’s easy to forget what there is out there, but all of the following information can be found on the college website – if you’re ever not sure about where to find something, the CR Facebook page is always a good place to ask.

The Bar
The Bar in the CR offers drinks, both alcoholic and non-alcoholic, and snacks to Linacre students at very reasonable prices – the Fairtrade products are also subsidised by college. The bar also offers one of a few opportunities to work at college – if you’re interested, contact the bar manager, Megan (megan.bushnell@linacre.ox.ac.uk). You can pay in cash or by bodcard, and are very welcome to bring friends from other colleges – if you want to have a larger event in the bar, get in touch with Megan and the social secretaries.

Jukebox
There is a free jukebox in the common room. Volume controls are located behind the bar - ask the bartender. The jukebox (tablet) runs a music streaming service.

Barbecue
The Common Room owns an industrial scale gas barbecue, which members are welcome to use. If you want to use it, check the terms and conditions on the CR website, and email the student food representative by emailing food@linacre.ox.ac.uk, as well as checking the Aiga Dombrov ska, head of housekeeping, and reception, to make sure there’s no other event going on which will clash with the barbecue.

Punting
The common room owns two punts, stored at Wolfson College. Before using the punt, a registration fee of £10 is applicable. This represents excellent value for money since it entitles you to use the punt throughout the entire punting season (usually 1st April to 30th September). You buy a punt card at the front desk Porter’s Lodge during business hours on weekdays. Once you have a punt card, you can contact the Porter in order to reserve it in blocks of time. If you have any questions, you can contact the Linacre Admiral of the Punt (a highly prestigious role) by contacting punts@linacre.ox.ac.uk

Opening hours
Sat & Sun: 19:00 to 23:00
Mon - Fri: 12:00 to 14:00 & 18:00 to 23:00

TIP: The barbecue is however a pain to clean, so allow an hour for cleaning after you’re done.
Dartboard
There’s a dartboard at the back of the common room, and the darts are in a box near the oche. If you’re interested in joining a darts tournament, contact stephen.lennon@linacre.ox.ac.uk

Camera
The CR owns a Canon 60D SLR camera with several lenses (Tamron AF18-270mm VC PZD Zoom Lens, CANON - EF 50mm f/2.5 Macro Lens and Canon EF-S 24mm f/2.8 Lens), as well as an instax mini 8 Fujifilm polaroid camera (films to be bought by the users). We also own a tripod, a 32-GB SD card and a 565EX ETTL Speedlite Flash for Canon to use with the camera if needed. To book the camera or other photo equipment, please contact cr.photo@linacre.ox.ac.uk

Gym
Linacre has one of the best-equipped college gyms, which is open 24/7. Use of the gym is free for Linacre members, but you have to register with the gym manager and attend an induction session before using the gym. You can contact the manager, Jill Boggs, by emailing gym@linacre.ox.ac.uk. There are a range of courses available at the gym, and the running & rowing machines can be booked in advanced using the computer system in the gym.

Magazines, Newspapers and Journals
The common room currently has subscriptions for a selection of newspapers, magazines and journals, which are available in the CR. We also have an online subscription to the New York Times; just visit http://accessnyt.com/ and register with your university email address. A concerted effort has been made to provide publications from various countries and areas of interest, catering to Linacre’s diverse student population – do however get in touch if you feel we’re missing something.

Squash courts
Linacre members have access to Oriel sports facilities on Cowley Road, Linacre members have free access to the Oriel sports facilities on Cowley Road, including squash courts and a gym. Gain access by asking the Linacre porter’s lodge for the key. If using the squash courts, make sure to call ahead to the Oriel porter’s lodge to reserve them. Squash rackets/balls are stored in the Linacre gym cupboard 2.

Pool table
Everything you need to play will be supplied at no cost. The pool table is currently in the small kitchen near the Tanner Room.

Rosenblatt Swimming Pool
Through the CR, Linacre students have free membership to the Rosenblatt Pool at the Oxford University Sport facilities on Iffley Road. You can have immediate access by showing your Bod card at reception and filling out a few forms.

TIP: Bring a one pound coin (worth ca. €0.10 at the time of publication) to use the lockers
**Sewing Machine**
Linacre owns a Jenome JP720 Sewing Machine that is available to Linacre members to borrow for a maximum of two weeks. You can book ahead to make sure you can use the machine when you need it. To use the sewing machine, you have to agree to the terms and conditions (available on the website) and can then sign it out at the Porter’s Lodge. If you use up a spool of thread, please replace it as a courtesy to the next person who uses the kit.

**Toys for Children and Board Games**
The common room owns a range of toys and books for children, as well as board games for the young and young at heart. These are kept in a cupboard in the Common Room, the key for which can be collected at the porter’s lodge. The toys are maintained by the CR and the exec are very willing to discuss how the CR can further provide for children and families at Linacre.

**Widescreen Television**
There’s a 42-inch widescreen TV in the Small CR, as well as a VCR, DVD player (there are DVDs in the Library!) and Sky Digital Box. If you would like to connect a video camera to the television, please use the input ports located on the left-hand side. This way, you can avoid disconnecting existing audio/visual equipment.

**Tea & Coffee**
The pool room has a bean to cup coffee machine and a kettle. Drinks range from 60-95p, and paper cups are available if needed. You can pay either with cash in the honesty box or via battels by writing down your name and the amount due. There is usually also milk stocked in the pool room fridge.

**Xbox One S**
There’s an Xbox One S console in the Small Common Room. Keys for the cabinet can be fetched at reception, so please enjoy the facility and put things back into the cabinet before returning the key to the reception.

**Projector and speakers**
The CR has a ceiling-mounted projector and linked audio-system. You can connect your laptop to it via VGA or HDMI cables through the ports near the jukebox. There are usually film screenings there on Sunday nights; contact the CR if you would like to organise one.

**Bike shed & Bike maintenance equipment**
There is a bike shed underneath the stairs up to the main entrance of college which you can access which your bod card. The CR also owns a set of bicycle maintenance equipment including tools, pumps, and puncture repair kits. To access the equipment, which is kept on a cupboard on the left-hand wall of the bike shed, you sign out a set of keys from the porter’s lodge. If you have any questions (e.g. missing or broken repair equipment) then email the student bike representative (bike@linacre.ox.ac.uk)

**Sexual health box**
In the disabled bathroom, next to the CR there’s a box with free condoms, dams, lube, pregnancy tests and sanitary products. If anything is ever missing, contact our welfare officer Jade: cr.welfare@linacre.ox.ac.uk
Induction week, or 0\textsuperscript{th} week (that’s “noughtth”, not “zeroth”), is a combination of being bombarded with information and meeting a dizzying number of new people. It is, however, also extremely fun, and we have a busy programme of social things to complement all the college and departmental induction events. They are of course all voluntary, and you may find some suit you better than others, but we very warmly encourage you to come to as many as possible – it’s a cliché, but induction week really is the best time to get to know your fellow freshers. The full schedule is on the back cover of this booklet but an overview of what’s going on:

We kick off from 9pm on Sunday evening with our Prohibition Theme Party to celebrate the bar reopening: after being refurbished all summer, we’re celebrating the end of the dry spell. Costumes strongly encouraged but not mandatory. You can recover on Sunday afternoon from 2pm with our freshers’ BBQ. It’s free for freshers (!) and £6 for external guests, and you can sign up until 10am on Saturday: [http://bit.ly/2hsfQlK](http://bit.ly/2hsfQlK). Once you’ve sated your appetite, you can head into the Dining Hall from 3pm for the Linacre Fresher’s Fair, where you can find out what clubs, societies and sports teams Linacre has on offer. On Monday evening, we’ll wind down with games’ night in the CR: starting at 8, you can have a stab at the many games from Settlers to Cards against Humanity which our games cupboard holds.

On Tuesday, please come to the Common Room at 10:30 to pick up your wristband for the university freshers’ fair and we’ll walk down together. Tuesday night brings with it an old Linacre freshers’ tradition, and a new feature: at 8pm, we’re lucky to have a free concert in the Common Room from a capella group The Beatroots before heading out together for cocktails at the Duke of Edinburgh and, just across the road from there, ice cream at G&Ds – choose one, or the other, or, just both.

On Wednesday and Thursday evening you’ll be enjoying even more free food with your first formal dinner; the Newcomer’s Dinner. Meet in the CR for drinks at 6:30, dinner is at 7 – please wear your gowns and dress smartly. Shirts and smart trousers for men and the equivalent for women is fine, but feel free to get dressed up for this occasion! On the night which you are not at that dinner, alternative dinner and a film screening in the Common Room. There will be vegetarian options, but if you have any other dietary needs, email the social secretaries beforehand: cr.social@linacre.ox.ac.uk.

The weekend brings with it more traditional Oxford activities, more Linacre traditions, and, crucially, more free food! On Friday, get a chance to check out some other college bars, as well as meet people from other colleges, at our college bar crawl, which starts in the CR at 9pm. On Saturday morning, you can snap up a bargain at our Jumble Sale in the Tanner Room, and then later celebrate your thriftiness and join our Punt Admiral Ari on a punting excursion, leaving College at 13.30. In the evening, there’s Karaoke in the CR, which is usually an extraordinary, if perhaps not very musical, event. To finish it off, there’s a free brunch in the dining hall on Sunday at noon. Bring your own plates, cups, and cutlery, and feel free to come in PJs!
