

LINACRE PEER SUPPORT

Linacre peer supporters are student volunteers that are trained by the University to provide an informal and supportive space to talk about any problems (big or small). We offer confidential and non-judgemental support to any student (or their partner). We can also suggest resources and referrals for additional support.

Just get in touch with any of our Peer Supporters to set up a time to meet!

Contact email:

peer.support@linacre.ox.ac.uk
