

Making a Payment

Flywire

We have partnered with [Flywire](#) to accept payments from students in the UK and internationally. We will ask you to use this service when making payments to College, including for battels and fees. When making a payment, please ensure that the reference you enter makes it clear who you are and what you are paying for, e.g. "Battels, Fred Smith". **Flywire offers the following benefits:**

- Payment options from over 240 countries and territories, in more than 150 currencies
- Supports a variety of local payment methods including bank transfers, credit cards, e-wallets and more
- Provides real-time payment tracking through email, in-app and text alerts
- 24x7 multilingual support via email, phone or live chat
- Internal controls ensure that funds are secure and protected against fraud

Direct Debit

To make payments by Direct Debit, you can enter the details of your UK bank account in a Direct Debit instruction.

- We regret that we cannot accept Direct Debits from bank accounts outside the UK
- We will inform you of the collection dates for Direct Debits prior to taking payment
- Direct Debit can be set up by downloading, printing and completing the [Direct Debit Form](#) handing it in or posting it back to the Finance Office. They need the original form, scans will not be accepted
